**COMMENTS:** My place of residence is on Pink Taylor Run Road. (1) A Public Meeting is requested with Texas Commission on Environmental Quality (TCEQ), the concrete company, and citizens. (2) Please consider that in this area, numbers alone may not reflect the importance of our situation. There are a few landowners holding large blocks up to 50 or 80+ acres. **COMMENTS:** I am a resident on Pink Taylor Run Road, and wish to submit additional questions/concerns regarding this facility: 1. How will the numbers of citizens listing concerns impact the decision of TCEQ authorities to authorize a public meeting? In this case, there are relatively few landowners on this road because of such large tracts owned by each. Nevertheless, the risk in each case could be significant. 2. This permit application lists a concrete batch plant to mix concrete; what are plans regarding concrete crushing? What is the % likelihood that Texas Concrete Enterprises will crush concrete at this site in 3 years, 5 years, 7 years, 10 years? (Thank you)
